1. Will you **OPPOSE** the use of TIF and all other taxpayer dollars to support and advance health care institutions that put the health and lives of women at risk by denying them comprehensive reproductive health care due to the imposition of mandated religious refusals and restrictions? YES NO

2. Do you **SUPPORT** legislation that, while protecting the Constitutional guarantees of free speech and association, requires "crisis pregnancy centers" (CPCs) to inform women in writing that they do not provide birth control, abortion services or referrals AND requires CPCs to provide women with medically accurate information? YES NO

3. Do you **SUPPORT** legislation that would require CPDH to provide access to FDA-approved medicine for medication abortions, at no cost to patients, at health clinics operated by CPDH when the use of medication abortion is indicated and in accordance with the professional judgment of the patients' medical providers? YES NO

4. Do you **SUPPORT** Chicago's "bubble zone" ordinance, which bars individuals from approaching within eight feet of a person within 50 feet of an abortion clinic if their purpose is to engage in counseling, education, leafletting, handbilling, or protest? YES NO

5. What will be your highest priorities, if any, concerning issues of reproductive health?
I will always fight to make certain women have the legal right to make their own decisions regarding their reproductive and overall health issues. It is no one else's decision but the individual's. I will always fight to ensure this right is never taken away.

**WRITE ANSWER ON
NEXT PAGE OR
ATTACH SHEET WITH ANSWER**

6. If elected do you plan to act **IN ACCORDANCE** with your answers to the above questions? **YES** **NO**
Yes, I stand by the answers above. Women reproductive rights must always be protected.

I, Brian C Comer, candidate for 43rd Ward Alderman, state that I personally drafted or approved these responses, which represent my true beliefs on the aforementioned issues.
